Table and Seating Guideline

**Banquet / Rectangular
Tables**

Allow a minimum of 60" between oblong tables for chair and service space. This permits 24" service space behind 18" chair depth.

Round Tables

Allow a minimum of 60" between round tables for chair and service space. This permits 24" service space behind 18" chair depth

**Chairs - Theater Style
Seating**

Allow a minimum of 36" between rows. Allow 36"-60" for aisles.

Table Seating Capacity:

- 6'x30" Rectangle/Banquet: Seats 6
- 8'x30" Rectangle/Banquet: Seats 8 - 10
- 60" (5 foot) Round: Seats 8

Serptine tables are a great way to do your head table. They take up less room then doing tables all in a row.
