FYI: This tent design is best for nice weather. You will have poles that come together where the tents join. And rain can pore through, because you can not run a continious rain gutter.

Table and Seating Guideline

Banquet / Rectangular Tables

Allow a minimum of 60" between oblong tables for chair and service space. This permits 24" service space behind 18" chair depth.

Round Tables

Allow a minimum of 60" between round tables for chair and service space. This permits 24" service space behind 18" chair depth

Chairs - Theater Style

Seating

Allow a minimum of 36" between rows. Allow 36"-60" for aisles.

Table Seating Capacity:

6'x30" Rectangle/Banquet: Seats 6

8'x30" Rectangle/Banquet: Seats 8 - 10

60" (5 foot) Round: Seats 8

Serpentine tables are a great way to do your head table. They take up less room than doing tables all in a row.
